IMPORTANT NOTICES

Trip To Beeac Sunday May 8th.

We leave Westgate Service Centre at 9.00 am sharp (meet from 8.30 on), for morning tea at Shire Hall tea rooms at Winchelsea.

Go on to Beeac, (turn right at Cressy-Ballarart sign before Colac. Beeac is an old town that had several windmill manufacturers in days gone by, they have a windmill park with each manufacturers mill. The town has plaques on old buildings explaining what they were in the past. Ean McDowell has restored the old pub, which is brick with the original pressed metal ceilings. The pub was doing 30 meals per week when he took over, it is now doing 800 per week. Lorraine and I had lunch there. the food was excellent ,and reasonably priced.

Ean will give us guided tour of the restored stables, which hold a Lancia Appia, Moretti, A.S.A.1000 (Ferrari), Argentinian Bugatti, Riley Imp, Stanguellini F.J. etc. etc. We will be shown through an old shed containing a Chevrolet truck. a Kurtis Kraft Offy., a Brooklands Riley both under restoration and many more treasures. If you wish you can proceed to Cressy, and go back to the Geelong by-pass via Inverleigh to make it a round trip home. Please book with Ron Townley Ph 5988846 or 0418 999 576.

Friday July the 22nd is the date for a trip down memory lane regarding how fashions have changed over the years.

VHRR club ambassador Bryan Thomson and his wife Loel have amassed a huge collection of fashions from around the world, and it is reputed to be the best collection in Australia. For the men, Bryan has a nice collection of motor bikes, and a car or two, of which I am sure he would like to show, this will be done after the collection tour.

A donation of \$5.00 covers the entry fee which is donated to a local nursing home by Loel.

The venue is situated at 39 Greenaway Street Bulleen, Melways Ref 32/E5

Starting time is 10.30 AM . The tour takes around one and a half hours.

I have made a tentative booking with the Old England Hotel in Heidelberg, the home of many famous artists, who's works are on the walls including Streeton, McCubbin, and Roberts to name a few.

Cost: (ie. Bistro at menu prices limit of 20 people, or table service at \$45.00 per head for a two course menu if more than 20).

For more info contact Ron Simmonds on 5962 2331 or 0427 031 737 as I will need to know numbers a week out from the 22nd July. Cheers Simmo.

There will be a designated area at Winton Long Track in August 2016 for anyone that would like to display their race or road cars that are for sale.

If you have a car that you would like to put on display in the Shannon's Walk Area at Winton Long Track in August 2016 please contact Richard Williams on 0413 247 817.

In regards to entry of Winton Long Track in August 2016 please note only the driver of display cars will gain free admission, all passengers will need to pay normal entry fees. Richard Williams

Warning Warning Warning

Most members are aware that Vic Roads, Club Plate Scheme revisions came into effect on 31/01/2015.

All Clubs which operate within the CPS were required to formerly sign an agreement which obliged them to adhere to the revised clauses. The Club Permit Agreement has some 8 clauses.

Clause 5: Provide endorsement of club permit applications. Sub clause.

Club endorsement declares the following to be true and correct.

The permit applicant is a current financial member of the above club.

Clause 6: Endorse club permit renewals to confirm that renewal applicants are current financial members of the club.

Clause 8: Notify VicRoads in writing within 7 days if a club member becomes aware or reasonably suspects any of the following.

A club member has ceased to be a financial member of the club.

At the foot of the agreement there is the following statement.

I am aware that if the club does not conform with the requirements of the agreement, wholly or in part, VicRoads may revoke its approval of the club.

Therefore, the following applies.

VHRR memberships fall due on the 1st of July each year. If you have a vehicle on "Club Plates" you must renew your membership

before that date. There are no special "opt out" arrangements. If you wish to use the benefits of the scheme you must comply with its requirements.

In order to assist members the club will send out renewal notices earlier than in the past. However it is your responsibility to allow sufficient time for your payment to be processed before the 1st of July.

10/03/2016 Revised procedure for Club Permit System

Major revisions to the CPS came into effect on 31/01/2015.

Before considering placing a vehicle on to CPS, it will be necessary to familiarise yourself with the new elements.

There are now two (2) forms:

(A) *Club Permit Application*

(B) *Vehicle Eligibility and Standards Declaration for Club Permit Vehicles* (Club officer will complete the details)

The required actions are as follows:

You must be a current financial member of the VHRR

1. Obtain both new forms from VicRoads
2. On the CPA, you will be required to nominate which of the eight (8) categories describes your vehicle.
3. If the vehicle has been changed from its original specification, it will be necessary for you to review the *Vehicle Standards Vsi 8 Or Vsi 33 guidelines*. A VASS certificate may be required and WILL be required if the vehicle has not had previous Australian registration. This is not the Club's responsibility!
4. Provide proof of ownership, i.e. purchase documents, previous registration in your name. The document must show VIN or chassis number, engine number; name and address and signature of previous owner; name and address of the new owner and date of transaction.
5. Provide a set of 6 x 4 inch dated photographs. The photographs MUST include images of the front, driver's side, rear, driving position (side on with driver's door open) and, where possible, any identifiers such as chassis number and engine number. The photographs are retained by the Club.
6. Provide a current *Roadworthy Certificate*. Copies of the appropriate forms can be obtained from the VicRoads website. Hard copies of the application forms are available at offices, but not copies of VSI8 or VSI 33.

The Next Stage

Once you have completed actions 1-6, contact the Club's CPS officer and let him/her know that you are applying for CPS through the VHRR. With alternative requirements met, forward all your documents to the officer with two \$1.00 postage stamps. We will provide the envelope and return the documentation (less the photographs) and the recommended revised AOMC handbook, \$5.00.

It is recommended that you personally visit a VicRoads office and not use the post. Once you have received your plates, advise the officer of the plate number and renewal date. Your vehicle will not be entered on to VHRR register until you have completed this action.

To Renew

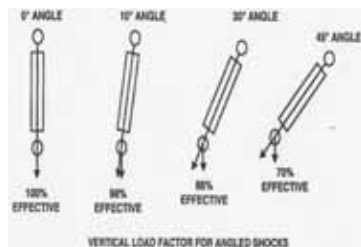

There are no known changes to the renewal process. These, if any, will be advised at a future date.

1. Send the complete renewal notice with a stamped, self-addressed envelope to the VHRR CPS officer.
2. An alternative renewal method is to enclose a cheque or complete the credit card details. Change the envelope address to VicRoads and the renewal document will be sent direct to VicRoads. Allow lots of time for this process. However, be pro-active with your renewals. It is not the responsibility of the VHRR to tell you that your renewal is due. VicRoads have advised that permits more than 60 days late will not be accepted for renewal and a new application will be necessary.

We urge all current and future CPS applicants to closely monitor VicRoads and AOMC web sites for up-to-date information.

The current VHRR CPS officer is:

Gordon Hellsten
5 Handel Court,
Blackburn Vic. 3130
