RaceFuels

CHAMPIONSHIP FUEL SUPPLY

Hello! RaceFuels are now committed to attend the State Series Rounds at both Sandown and Phillip Island.

We will also service the historic rounds and Island Magic.

Expect to see us at the fuel compounds from 8.00am.

We are excited to offer our range of quality racing fuels and we hope to impress you with our service and professionalism.

We attend and supply all of the Supercar events, all of the Shannon's Nationals rounds and all race meetings at Mount Panorama, Bathurst.

RaceFuels' head office and warehouse: 37 Mark Anthony Drive Dandenong South

From our HQ we are 12 minutes from Sandown and 75 minutes from Phillip Island.

RaceFuels in Dandenong South is open between 8.30am and 5.30pm Monday to Friday.

Our factory is clean and organised with off street parking. EFTPOS facilities are available at reception.

We also warehouse our fuels in Sydney, Brisbane & Auckland. Our goal is next day delivery at these locations.

In Melbourne we have a fleet of vehicles for local delivery, we have tailgate trucks if you do not have a forklift.

Our focus for fuel supply for the State Series will be the following five fuels:

- 98 RON** = Pump Grade Unleaded
- 100 RON** = 10% Ethanol from Cheetah / JFP
- E85** = Batch tested Supercar Control fuel
- RF100** = Leaded Racing Fuel from BP
- Elf LMS** = 102 RON FIA Unleaded Racing Fuel

See reverse for more details and pricing.

Winton: RaceFuels has a partnership in place, fuels are available on demand from their fuel shop: E85, RF100 and Elf LMS.

Sydney Motorsport Park: RaceFuels has a partnership in place with fuels available anytime from bowsers and credit card reader: E85, RF100, Elf LMS and 98 RON.
