IMPORTANT NOTICES

Secretary's Report

The General Meeting and AGM for the club were held on August 27 2019. As part of this meeting members stood for a minutes silence after the President, Ian Tate, acknowledged the sad passing of members and supporters of our club: Patrick Ryan, Graham Hoinville, Gordon Cope-Williams, John Flint, Danny Richards and John Mason. We express our sympathies and support to these families.

Normal business was conducted at the meeting and the President, in his report, said it was a privilege to serve the VHRR. Ian thanked those on the General Committee and chairs, members and all involved in our race committees. He thanked many people for the ongoing work and contribution they make to the club and its events, in making them so successful. He particularly thanked our major sponsors: CoolDrive, Penrite, Bursons and Shannons. Special mention was made of the fantastic work of our Treasurer Ian McLennan. Ian concluded his report by thanking all members of the club for their ongoing support.

Historic Sandown Preview

The 28th instalment of Historic Sandown is shaping up to be one of the best yet. Many historic racing fans look forward to Sandown, mainly because of the great perspective the meeting creates for both spectators and competitors. For me, this particular Sandown meeting is going to be that little bit more special. This time around, I'll be having a drive of Conor Ryan's Daveric Formula Vee in Regularity. Thanks to a very generous offer from Conor, my lifelong dream of racing on circuits is starting to become a reality. Many of you would've seen Conor drive this car at lots of historic racing events, quite successfully I might add! I previously drove this car at Rob Roy earlier this year, and for my first experience in a race car, I had an absolute blast! Formula Vees are really smooth cars to drive, and because they are so similarly matched to the other cars in the class the run in, they create one of the best racing spectacles that I've ever seen. Also, as usual

I'll also be helping out Eric Bellamy with work on his 1980 Wren Formula Ford, and as a team we're looking forward to this meeting, after a disappointing couple of meetings, with both occasions resulting in a damaged car. Overall, Sandown is set to be great, don't miss this one. I'm looking forward to seeing some of you there!

Exclusions applicable and cover limitations to vehicles on a race track

To Car Clubs,

Shannons is a supporter of motoring clubs, events and associations committed to sharing the passion of the Motoring Enthusiast Community we so proudly serve.

From time to time Shannons attends and supports events at race tracks and racing circuits (Race Events). As part of our ongoing commitment to our customers and the broader Motoring Community, an opportunity has been identified for Shannons to better assist customers attending Race Events (including your car club members) to be aware of and better understand exclusions under Shannons Motor Insurance (SMI) that apply when their vehicle is on a race track.

We want to ensure our attendance at Race Events does not create an impression that SMI automatically covers customers out on the race track or the course. Accordingly, from 1 October 2019, we will display the attached notice at Race Events.

We value our relationship with your club and its members and wanted to provide you with this information in case your members see this notice at future Race Events and ask you about the notice.

If you require any further information about this notice, you can reach out to us by contacting your local Business Development Manager. Additionally, we can arrange for a member of our underwriting team to attend one of your future car club meetings to talk to your members. Thank you for considering this important notice and your ongoing support. We look forward to seeing you at an event soon.

I am wanting to find some historical photos of my father, Wes Nalder, as my sister and brother and I are wanting to put his history together for him digitally, and in writing. I know that he competed many times at Philip Island when he was younger and I am wondering if you have any information and/ or photos of him from this time. His name is actually George Nalder but he has always gone under the name of Wes. If you have any info or photos that you can supply we would really appreciate it. Looking forward to your reply.

Regards,

Sue Cridge, (nee Nalder)

I am after a tow car, but am on a tight budget. I am a 19 year old junior at the club, and just want something I know one of the lovely people at this establishment will have looked after. I've been looking for anything that will tow a Vee really (which doesn't take much), however most XR6's have seen less of a tow bar and more of burning rubber in an industrial estate! :')

Anything that will get me to the track and back, and will manage to pull the old girl along with her.

Christopher Jackson, 0432 824 626 are my contact details! In the meantime I'll keep hacking through the classifieds! :)
